Gendron Joins NuWave as Carrier Services Practice Manager

(Grand Rapids) –Jeff Gendron has joined NuWave Technology Partners as a Carrier Services Practice Manager for the company’s offices throughout the state.

In his new position, Gendron will establish NuWave’s new Carrier Services department and manage the company’s partnerships with telephone companies—such as AT&T, Qwest and Verizon—which carry telephony and data communications.

Based in NuWave’s Grand Rapids office, Gendron will consult with business clients seeking to unify voice and data communications, then works with telephone carriers to implement these technology systems. These solutions, which reduce costs and increase operating efficiencies, may include integrating telephone communications, Internet services, and intra-office WAN networks.

Gendron brings more than 14 years experience in the information technology and telecommunications industry, previously working in a similar role with First Telecommunications in Grand Rapids.

A resident of Grand Rapids since 1990, Gendron attended Grand Valley State University.

Servicing the business and healthcare markets, NuWave Technology Partners (www.nuwavepartners.com) implements state-of-the-art telecommunication systems, builds and supports computer networks, and develops custom software and e-commerce solutions. With offices throughout the state, NuWave is a Microsoft™ Gold Certified Partner and a Cisco™ Premier Certified Partner.

In the healthcare market, NuWave Medical Solutions (www.nuwavemedicalsolutions.com) implements electronic health records (EHR) systems for hospitals and physicians as a partner with Allscripts™, a leading provider of EHR solutions.

With offices in Kalamazoo, Grand Rapids, and Lansing, NuWave Technology Partners is one of Michigan’s leading information technology providers and a recipient of the 2009 “Michigan 50 Companies to Watch” Award, presented by the Edward Lowe Foundation and Michigan Celebrates Small Business.
